Kura: So... I got a request for a HiccAnna fic, not sure where this will go...

Sakura: The only pairing in this is HiccAnna. So that means no Jelsa. And it'll stay like that. No ifs, andds or buts.

Kura: Why? Well, it's like this, well, for me to support a shipping, it takes little time, I mean, I haven't seen Frozen, but after reading a few Jelsa fics, I'm a supporter, but for me to actually write a pairing I'm still getting used to... ya need to wait. So until I see Frozen, this will probably be the only fic I write with a pairing with a Frozen character, but trust me, once I'm more into it, I will write Jelsa, Jackanna, MeridaxElsa, HiccAnna (more), etc. etc. etc.

Chapter 1

"But why?" Anna asked, "We have to invite them! It'll be the perfect chance to get over this stupid feud!"

Her older brother Jack shot a glare at her, "Because it's BERK!"

Anna stomped her foot and glared back, "BUT IT'S MY BIRTHDAY!"

Jack groaned and turned around, "Whatever do what you want, but don't come crying to me when one of them hurts you, because I'll know before you can."

Anna rolled her eyes and left. She had a letter to send out.

><p>"HICCUP! HICCUP!" A female voice yelled.<p>

Prince Hamish "Hiccup" Haddock III, stood in front of a window, staring at the dragons outside.

"Yes Astrid?"

Astried walked in, letter in hand.

"It's from Arrendelle. For the princess' birthday."

'Princess Anna's birthday, huh?' Hiccup turned to leave, "I'll be back after the ball."

"Wait, should I tell the King or-"

"NO!" Hiccup sighed, "No, he wouldn't understand..."

Kura: Keeping these chapters short. Why? Well, I'm going on break, so I won't have a computer, just my phone, so chapters will be short. Review.
